Regal Princess® • Tonight's dress: smart casual

prepare to sail on a voyage of discovery

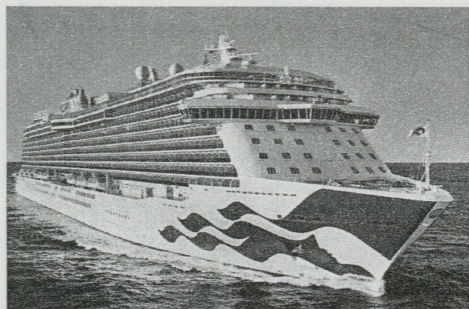

Welcome aboard the Regal Princess®! We hope that this voyage expands your horizons and exceeds your expectations. Whether this is your first time at sea or you've sailed a hundred times, we're delighted you've chosen to travel with us.

Princess Cruises is dedicated to travelers whose journeys are launched by an unquenchable thirst for discovery — a curiosity about our world and those with whom we share it. We'll introduce you to spectacular vistas, sites of legendary historical significance, exciting adventures, and memorable new cuisines. We'll do everything we can to make your onboard experiences equally rewarding.

We believe that while transporting you far from the ordinary, a cruise should bring you closer to what really matters. This means revealing new cultures and fresh perspectives, and creating new connections with those you love.

Reveling in your time away can also mean staying in touch with family and friends back home and sharing favorite moments of your vacation with your favorite people. To make communication easier, Regal Princess® recently added MedallionNet™ — the best Wi-Fi at sea. Purchase fast, reliable and unlimited internet at embarkation day savings of 50%.

Explore. Relax. Reconnect. And come back new®.
