Toilet System/Vacuum System: Regal Princess, as all modern cruise ships, is equipped with an EVAC toilet system that uses the vacuum pump principle. The system is very reliable, but the pipe work is much smaller than those ashore and is sensitive to foreign objects and large amounts of toilet paper. In order to avoid blockages and subsequent inconvenience to guests, please place any foreign objects in the waste bins and sanitary bags provided.

Planet Princess: Any environmental concern you may have that cannot be addressed by the ship can be directed to our Environmental Operations Department via the Environmental Hotline or by e-mail.
