

# Princess® patter

Your daily guide to life at sea.

St. Maarten • Wed. Feb. 19, 2020  
Regal Princess® • Tonight's dress: smart casual

## enjoy your day in st. maarten

Warmed by the Caribbean's gentle breezes and seemingly never-ending sunshine, St. Maarten is an enviable destination for any traveler. Not only does this fantasy island boast butterfly farms, horseback rides through a nature preserve and leisurely island drives, you'll also get to experience two European countries during one fabulous visit. Colonial Philipsburg, the capital of the Dutch side, sits nestled between two turquoise bodies of water while Marigot, the capital on the French side, boasts a certain joie de vivre that's infectious.

*Port Guides are available at the Shore Excursions Desk.*

## important notifications

Remember to bring your **Cruise Card or Ocean Medallion™ plus Cruise Card in addition to your Government issue ID** with you when going ashore. Do not accept or bring aboard any parcels or packages from strangers. Before boarding, you may be asked by Princess security staff to open parcels or handbags.

**Security Screening:** All guests returning to the ship must pass through security screening. Objects containing metal such as mobile phones, cameras, binoculars, reading glass cases, large belt buckles, batteries, electrical devices, etc. will cause the walk through metal detector to alarm and delay entry onto the ship. Such items need to be placed into the trays provided before you pass through the metal detector. Guests with, for example, surgical metal implants, large amounts of metal jewelry, metal shoe stays, etc. may need to undergo further screening, e.g. hand-held metal detector or "Pat Search."

**Beach Towels:** If you are heading to the beach, do not forget to take your beach towel, but please remember to bring it back onboard yourself! Thank you for your cooperation.

## meet Francesco Ciorfito Maitre d'Hotel

Francesco Ciorfito grew up in the wonderful city of Naples, Italy, where he dreamed of one day working in the hotel industry. After completing his studies, he dedicated his life to culinary expertise and service excellence. When he joined Princess Cruises, Francesco's dedication paid off as he gradually made his way through the ranks to the coveted position of Maitre d'Hotel. Today, he is very proud to say that he's met over a million guests onboard, and is still in touch with many.
