#### Wash up!

The best way to prevent colds, flu and gastrointestinal illnesses- such as Norovirus- is to wash your hands with soap and warm water for at least 20 seconds after bathroom breaks and before eating.

### GOOD TO KNOW

#### Bringing Food Ashore

Due to port health regulations, food, including fruits, vegetables and drinks, is not allowed to be taken off the ship when visiting a port. Food will be collected at the pier and returned to the ship for disposal.

#### Stay Safe in Port

Don't let a misstep ruin your day in port. Mind your step on uneven sidewalks and streets. And please note that some curbs can be very steep.

#### Avoid the Lines and Save Time

Place a credit card on your account today. A copy of your account will be delivered to your stateroom on departure morning to verify all charges before your credit card is charged.

#### Hold Steady with Handrails

Even on the calmest of seas, the ship may shift unexpectedly. Use the handrails located throughout the ship whenever we are sailing.
