We're all in this together. Here are some things to keep in mind for the health and safety of everyone onboard

Wash up!

The best way to prevent colds, flu and gastrointestinal illnesses- such as Norovirus- is to wash your hands with soap and warm water for at least 20 seconds after bathroom breaks and before eating.

GOOD TO KNOW

Watch Out! Time Change

Please set your clocks and watches 1 hour forward before retiring tonight. (Ship clocks go forward at 2:00 am, Saturday, September 21st in the morning).

Bear Sightings in Juneau

Downtown Juneau has increased Black Bear activity. These animals are in search of unsecured trash as a food source. Please use the bear resistant trash containers, and if you see a bear, please stay away and give the animal their space.

Self-Assist Departure

For Early Departure (from 6:30 am - 8:00 am), please keep in mind that this is a self-assisted departure and luggage assistance is not provided. Remember to carry your luggage with you as you depart.

Transfers to Seattle Airport

Guests with flights after 'noon' in Seattle, can purchase transfer tickets to the Seattle airport (\$34 USD per person) at Guest Services, Deck 4, before 10:00 am the day prior to departure. Please note that local taxi services are limited and may cause some waiting times for you at the taxi stand.

Food For Thought

Agriculture regulations prohibit taking any food and drinks, off or onboard the ship - so be sure to finish all meals or snacks and drinks onboard or ashore.

YOUR HEALTH IS OUR PRIORITY

We're all in this together. Here are some things to keep in mind for the health and safety of everyone onboard.

GOOD TO KNOW
